Manasa Gangothiri, Mysuru,
Karnataka - 570006

PROFILE

Experienced educator and researcher in Urban and Regional Planning, with significant teaching experience at the University of Mysore. Skilled in conceptualizing and overseeing projects focused on sustainable urban development, district-level planning, and geospatial technologies. Known for seamlessly blending academic theory with hands-on applications to guide students and support senior faculty in scholarly endeavors. Commended for strong communication abilities, leadership qualities, and a commitment to advancing sustainable, forward-thinking approaches in urban design and planning.
